

BRABBU Contract's sophisticated design joined the new modern 5-stars hotel: Sofitel Frankfurt Opera

You need to feel the atmosphere

Sofitel Frankfurt Opera just opened in October to show once again to the world how to integrate, in a 5-stars hotel, the sophistication of mid-century French mansions with the straight modern and demanding Frankfurter culture. BRABBU Contract is very happy to be part of this project. It was great pleasure to work with Accor Hotels Group.

The Designers & Inspiration

Drawing on the recognized expertise of the designer **Nicolas Adnet** of the firm **MHNA Paris**, Sofitel has created a resolutely modern hotel, inspired by the French city mansions of the 17th and 18th centuries. The Sofitel Frankfurt Opera pays tribute to the French way of life by recreating it in a sophisticated atmosphere, right in the heart of Frankfurt. All the furniture and facilities of the highest quality were specially designed for the hotel.

Each of the 120 rooms and 31 suites offers a breathtaking view of the Opera, the park or the Atrium. The “Schönemann” Restaurant and “**Lili’s**” Bar – which owe their names to Goethe’s great love, **Lili Schönemann** – open their doors to guests, inviting them to taste inspired bistro-based cuisine from Paris, or simply to enjoy a cocktail. The tea house offers a wide selection of delicious pastries

The ex-libris at Lili's Bar - highest quality furniture by BRABBU Contract

Lili's Bar is almost exclusively decorated with BRABBU Contract's & BRABBU's Upholstery designs.

From **BRABBU Contract's Collection**, the **MAA Armchair** and the **Kansas Counter Stool** add character and personality to the space, together with BRABBU's **IBIS Armchair** and **MAASAI Two Seat Sofa**.

The **MAA Armchair** is inspired in the harmonious language spoken by the MAASAI tribe. This harmony was transported to the design and together with the fabric and its specific shape turns to a delicate piece that is able to make every room speak harmoniously. The **KANSAS Counter Stool** is a design tribute to the Texas Cowboys, that each spring, from 1866 to 1885, drove from the Texas ranges to rail heads in Kansas.

Natural elegance, courage, confidence, harmony, respect and peace are for sure some of the values Sofitel Frankfurt Opera wants to offer and transmit to their high-level visitors and guests.
