

NIKU | WALL LIGHT

NIKU, diminutive of Nikumaroro, is part of a Kiribati islands group, known as Phoenix Islands. Surrounded by the depth of the Pacific Ocean, is the beauty of the coral that makes NIKU wall light a rarity in lighting. Throught its gold plated brass structure, 2 spheres emerge representing the wide diversity of ecosystems that inhabit this remote island. NIKU wall light fills your living room with exoticism and brings it a live and bright ambience.
